A. EDUCATION

1989 - 1992	University of Copenhagen, Denmark. Doctoral dissertation (<i>lic. polit.</i>) in Economics.
1977 - 1978	University of Copenhagen, Denmark. M.Sc. (<i>cand. polit.</i>) in Economics.
1976 - 1977	University of Illinois, Champaign-Urbana, USA. Graduate student of Economics.
1972 - 1976	University of Copenhagen, Denmark. Student of Economics (<i>stud. polit.</i>).
1967 - 1970	Aalborg Katedralskole, Denmark. Danish <i>studentereksamen</i> . High school with specialization in mathematics and physics.

B. PROFESSIONAL EXPERIENCE

- 2002 - present Professor of Development Economics, Department of Economics, University of Copenhagen. Duties have included regular teaching and departmental tasks in addition to research and research supervision as well as the organization of international Ph.D. courses and seminars, international collaboration and conferences, teaching, advisory work for Danida and other development agencies, and coordination of the *Development Economics Research Group* (DERG). International collaboration includes large scale field level activities in Vietnam and Mozambique funded from a variety of bilateral and multilateral sources. Duties involve frequent travel to these two and many other developing countries. Other duties have included being a member of the International and the Research Committees at the Department of Economics and supervisor of a very large number of Ph.D. and M.Sc. students.
- 1996 - present Coordinator of the University of Copenhagen *Development Economics Research Group* (DERG). DERG involves both permanent and temporary staff and Ph.D. students at the Department of Economics at the University of Copenhagen and elsewhere. Visit the DERG homepage for further information: <http://www.econ.ku.dk/derg/>
- 2009 - 2018 Director, UNU-WIDER, Helsinki, Finland. The World Institute for Development Economics Research (WIDER) is the first research and training centre of the United Nations University (UNU), established in Helsinki, Finland and operational from 1985. UNU-WIDER undertakes applied research and policy analyses on global development and poverty issues. The Director holds overall responsibility for the research and management of the Institute, including the design and implementation of the research programme within the policies and guidelines set out by the WIDER Board and the UNU Council. Researchers include resident research staff, a global research network, and a series of top-level international external project directors. For full details visit the UNU-WIDER website: <http://www.wider.unu.edu/>
- 2000 - 2002 Visiting Professor, National Economics University (NEU), Hanoi, Vietnam and Senior Economist/Project Coordinator at the Central Institute of Economic Management (CIEM). Danida funded support project implemented by the Nordic Institute of Asian Studies (NIAS) entitled “Strengthening the development research and policy analysis capacity at CIEM”. Duties included teaching at NEU, capacity building, research and advisory activities related to research studies and reports prepared at CIEM as well as project management.

- 1991 - 2002 Associate Professor in Development Economics, Institute of Economics, University of Copenhagen, Denmark. Duties included teaching at undergraduate and graduate level, thesis advice at graduate and doctoral level, and own research as well as curriculum development. The establishment and coordination of the development economics unit of the Institute and a joint programme of research with the International Food Policy Research Institute (IFPRI) can also be referred to. Organized a series of internationally recognized Ph.D. courses for Ph.D. students enrolled at Nordic universities and elsewhere.
- Other duties included: From 1991-94 secretary of the Board of the Institute of Economics with a range of administrative and supervisory duties. From 1993-2000 Head of the Computer (i.e., Information Technology) Committee, and from 1994 a member of the International Committee. Also member of the board of the University of Copenhagen Centre for African Studies (CAS) and Head of CAS during a six-months interim period in 1992.
- 1988 - 1991 Assistant Professor in Development Economics, Institute of Economics, University of Copenhagen, Denmark. Duties included teaching at undergraduate and graduate level, thesis advice to graduate students, and own doctoral research as well as curriculum development in the area of development economics.
- 1987 - 1988 Macroeconomist/Agricultural Planner (Team Leader), FAO/Ministry of Agriculture, Maputo, Mozambique. UNDP/FAO project MOZ/86/007 - Support to Agricultural Planning and Policy Analysis. Reporting directly to the National Director of Agricultural Economics duties included assisting the Directorate in the establishment and operation of a Macroeconomic and Policy Analysis Unit and advising the Director on the following matters: agricultural sector analysis, formulation and periodic review of agricultural sector strategies, agricultural and rural development programmes, agricultural policy analysis and the impact on agriculture of macroeconomic policy.
- Other duties included responsibility for supervising and participating in the preparation of a series of economic studies, screening candidates for study fellowships and arranging their training, preparing terms of reference for project consultants, in-service training of project counterpart staff, supervising the work of international project staff and carrying out administrative duties related to the condition of international Team Leader.

- 1986 - 1987 Project Coordinator/Planning Economist, FAO/Ministry of Agriculture, Maputo, Mozambique. Project TCP/MOZ/4506 - Support to Project Identification, Analysis and Formulation. Reporting directly to the National Director of Agricultural Economics, the following duties were carried out: coordination and programming of all activities of the FAO project, support to the organization and implementation of the work of the Directorate in the fields of project identification, formulation, appraisal and evaluation, assessment of longer term needs for technical cooperation in the field of agricultural project planning, and training of national counterparts.
- 1981 - 1986 Programme Officer/Economist, Maputo, Mozambique. Reporting directly to the FAO Representative for Mozambique and Swaziland responsible for monitoring and analysing the economic and agricultural development of Mozambique and Swaziland. This included the preparation of general economic reports and agricultural sector studies, project identification, formulation, appraisal and evaluation, collaborative work with visiting consultants and missions and other duties related to effective programme management such as the drafting of correspondence of a day-to-day nature, the organization and supervision of other staff in the FAO Office, including Associate Programme Officers and Junior Professional Trainees.
- In addition, deputizing for the FAO Representative on a continuing basis and serving as Acting FAO Representative during his absence including several 2-3 months periods (totalling well over a year) were part of duties carried out. This meant that high level negotiations with Government officials were performed and that close relationships with UNDP and other UN and non-UN bodies in the two countries of assignment, including members of the diplomatic corps and bilateral aid-missions, were maintained.
- 1980 - 1981 Economist (FAO Associate Expert), Maputo, Mozambique. Integrated in the Planning Division of the State Forestry Enterprise Mademo, responsible for the elaboration of the 1982 central plan, the training of national staff in general statistical, and other duties. Subsequently transferred to the Planning Office of the Forestry Department of the Ministry of Agriculture with responsibility for reorganizing the office, formulating project documents, preparing economic evaluations of projects, and producing a methodology for planning and control of projects in the forestry sector, and training.

- 1978 - 1980 Programme Officer (FAO Associate Expert), Mbabane, Swaziland. Under the overall supervision of the UNDP Resident Representative and the direct supervision of the Acting SAA/FAO C.R., a variety of duties were carried out including monitoring and evaluating the FAO programme, project identification and formulation, preparation of reports and sector studies for submission to FAO HQ, and local professional support to visiting consultants. In addition, the Acting SAA/FAO C.R. was assisted in his duties as Director of Research and Planning and Chief Economist in the Ministry of Agriculture and Cooperatives. Working in the UNDP Office, the report on *Development Assistance to Swaziland, 1978* was drafted.
- 1977 - 1978 Instructor, Economic Principles, University of Copenhagen.
- 1975 - 1976 Research assistant, social cost/benefit project concerning care of the elderly funded by the Organization of Danish Communes.
- 1975 - 1976 Instructor, Economic Principles, University of Copenhagen.
- 1971 - 1972 Teacher, primary and secondary school, Aalborg, Denmark.
- 1970 - 1971 Military service, Denmark.

C. SPECIAL HONOURS

- November 2015 Conferred a Knighthood, Order of the Dannebrog, by Her Majesty Queen Margrethe II of Denmark.
- January 2014 The Vietnamese Government Medal of Honour for Support to the Planning and Investment System.
- November 2011 The Vietnamese Government Development Merit 'Medal for the Cause of Science and Technology'.
- August 1996 The University of Copenhagen Institute of Economics' Award for excellent and inspiring teaching.
- January 1979 The Zeuthen award of the Danish Economic Society (Socialøkonomisk Samfund) based on the thesis *Growth and Income Distribution in Developing Countries*.

D. OTHER ACADEMIC AFFILIATIONS, ADVISORY BODIES etc.

Current

- 2019 - present Non-Resident Senior Research Fellow, UNU-WIDER.
- 2019 - present Member of the Advisory Board of the Center for Development Research ZEF, University of Bonn. Since 2022 chair of ZEF's Advisory Board.
- 2018 – present Member of the Academic Advisory Council of the Institute of New Structural Economics, University of Peking.
- 2018 – present Member of the University of Copenhagen review panel under the Research and Innovation Council (KUFIR).
- 2009 - present Member of the Board, *Journal of Development Studies* (JDS).
- 2009 - present Editor, *Sustainability Science* (SUST).

Assessment of the Need for Cold Storage Capacity in Maputo. Danida/Government of Mozambique Appraisal Report, January 1989, pp. 1.1-7.4 (plus 16 annexes). With T. Thomsen.

Some Comments on the SADCC Food and Agriculture Sector Strategy. Ministry of Agriculture, Maputo, Mozambique 1986, 7 pages. With J. Toha.

Agricultural Planning in Mozambique: Review, Technical Assistance Needs and a Proposal for Institutional Support. TCP/MOZ/4506 document, Maputo, Mozambique 1986, 17 pages (plus four annexes). Prepared with J. M. Caballero, based on background document elaborated by F. Tarp. Also a series of detailed project documents constituting a consolidated 5-year technical assistance programme were drafted.

Agriculture Sector Component of the Third UNDP Country Programme. Ministry of Agriculture, Maputo, Mozambique 1986, 16 pages.

Most semi-annual reports of the FAO Office in Mozambique covering the period July 1982 to December 1986 drafted under the supervision and responsibility of the FAO Representative.

A System for Forest Sector Control and Statistics. FAO, Maputo, Mozambique 1981, 27 pages. MOZ/76/007 project working document.

Two Theories of Economic History. Institute of Economics. University of Copenhagen, 1978, 17 pages. Part of curriculum in advanced economic history for graduate students (in Danish).

6. Policy Briefs

Mining for Change: How Can Natural Resources Support Inclusive Growth in Africa. WIDER Policy Brief, Volume 4/2020. With J. Page.

Migration Governance in the Global South. WIDER Policy Brief, Volume 3/2020. With R. Gisselquist.

Designing Inclusive Public Finance Policies in Developing Countries: Five Key Issues and Solutions. WIDER Policy Brief, Volume 2/2020. With J. Pirttilä.

Eight Lessons on Small and Medium-Sized Enterprises in Vietnam. WIDER Policy Brief, Volume 1/2020. With J. Rand.

Unequal Growth in Mozambique and the Region. WIDER Policy Brief, Volume 9/2019. With C. Gradín.

Aid Effectiveness: Growth and Beyond. WIDER Policy Brief, Volume 8/2019. With R. Gisselquist.

Is Global Inequality Rising or Falling? WIDER Policy Brief, Volume 2/2019. With T. Addison and J. Pirttilä.

Inequality Dynamics in China: Income Growth for the Poor, But More for the Rich. WIDER Policy Brief, Volume 4/2018. With S. Li and T. Sicular.

Measuring Quality of Health-Care Services: What is known and Where are the Knowledge Gaps? WIDER Policy Brief, Volume 10/2017.

Measuring Poverty and Wellbeing in Developing Countries. WIDER Policy Brief, Volume 9/2017. With C. Arndt.

Aid is not Dead: The Latest Evidence on the Effectiveness of ODA. WIDER Policy Brief, Volume 8/2017. With T. Addison and O. Morrissey.

Aid, Environment and Climate Change. WIDER Policy Brief, Volume 7/2017. With C. Arndt.

The Political Economy of Clean Energy. WIDER Policy Brief, Volume 6/2017. With C. Arndt.

The Practice of Industrial Policy: Four Lessons for Africa. WIDER Policy Brief, Volume 5/2017. With J. Page.

Africa's Lions – three challenges limiting the potential for inclusive growth. WIDER Policy Brief, Volume 4/2017. With H. Borat.

Tracking Rural Households through Structural Transformation: The Case of Viet Nam. WIDER Policy Brief, Volume 3/2017.

Made in Africa: The Challenge of Industrialization. WIDER Policy Brief, Volume 4/2016. With C. Newman and J. Page.

Aid and Employment: Creating Good Jobs in Africa. WIDER Policy Brief, Volume 2/2016.

Two Cheers on Growth and Poverty in Sub-Saharan Africa: Evidence from a 16 Country Study. WIDER Policy Brief, Volume 1/2016. With C. Arndt and A. McKay.

Four Key Areas to Improve Aid Effectiveness. WIDER Policy Brief, Volume 2/2015. With T. Addison.

Diversity Among Rapid Transformation: Welfare Dynamics in Rural Vietnam, 2006 to 2012. CIEM Policy Brief, Volume 1 of 2013. With A. McKay.

The Availability and Effectiveness of Credit in Rural Vietnam: Evidence from the Vietnamese Access to Resources Household Survey 2006-2008-2010. CIEM Policy Brief, Volume 5 of 2012. With C. Newman and Nguyen Le Hoa.

Income Shocks and Household Risk-Coping Strategies: The Role of Formal Insurance in Rural Vietnam. CIEM Policy Brief, Volume 4 of 2012. With DERG, CIEM and CAP research teams.

Economic Development and Subjective Well-Being. Evidence from Rural Vietnam. CIEM Policy Brief, Volume 4 of 2012. With T. Markussen, M. Fibæk and Nguyen Do Anh Tuan.

Welfare Dynamics in Rural Vietnam, 2006 to 2010. CIEM Policy Brief, Volume 3 of 2012. With A. McKay.
